Arkansas Tin Lizzies 2014 Fall Foliage Tour

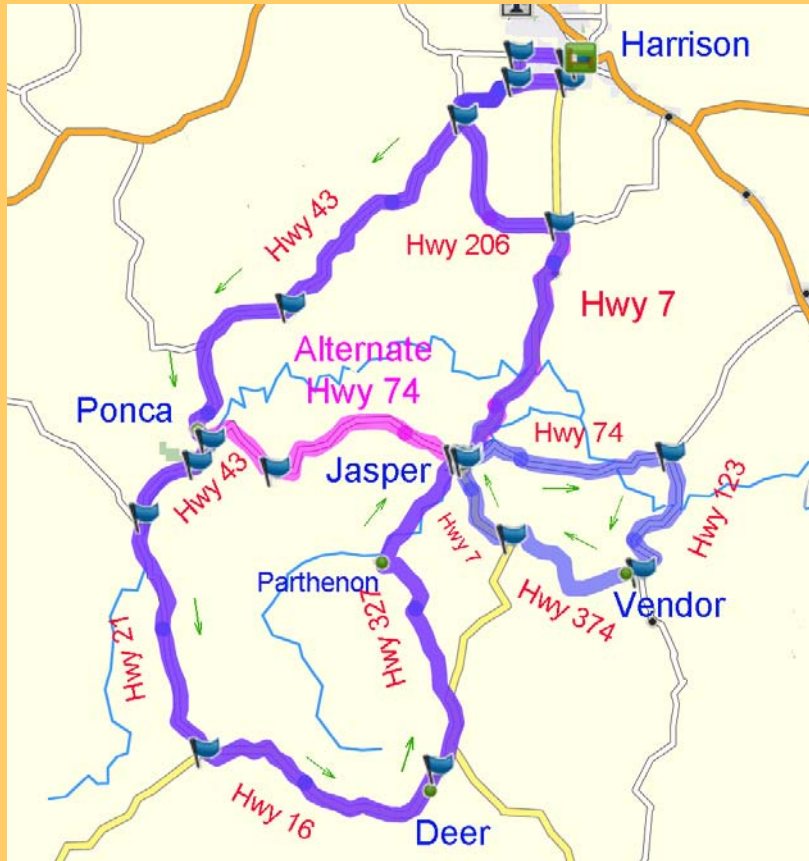

Thursday: Ponca, Boxley Valley, Parthenon and Jasper
October 30, 2014

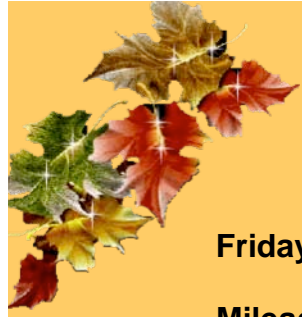

Mileage: 97 Miles without side trip to Vendor
126 Miles with visit to Macy's at the Mall in Vendor

Summary: Hwy 43 out of Harrison to Ponca. Stop in Ponca for break, gas and a visit to the Elk Education Center. Make a loop through Boxley Valley, down to Deer and back up on the other side of the mountain to Parthenon before reaching Jasper for the lunch stop. As an alternative, pick up sandwiches and other picnic supplies in Ponca and stop along the road or at the Lost Valley State Park for an early picnic (then you can have ice cream in Jasper).

Out of Ponca the main route through Boxley Valley, Deer and Parthenon into Jasper is 45 miles to Jasper. The alternate route to Jasper up the mountain with switchbacks on Hwy 74 through Low Gap, is 15 rather slow miles. If you are going to use the alternate route to Jasper, consider driving down Boxley Valley, about 5 miles to the intersection of 43 and 21, for the scenery and then back to the intersection of 43 and 74 to take 74 to Jasper.

When leaving Jasper decide if you are going to take the 28 mile side trip to the Mall at Vendor. This loop will take you east on 74 Hwy to 123 then back west on 374 Hwy to Hwy 7. Taking this side trip will get you south of Jasper and give you a little ride time on Scenic Arkansas 7 before passing back through Jasper on the way back to Harrison.

Arkansas Tin Lizzies 2014 Fall Foliage Tour

Saturday: Missouri ~ Bull Shoals ~ Ferry Ride ~ Box Lunch
November 1, 2014
Mileage: 120 Miles

Summary: This should be a fun day driving our T's into Missouri and around Bull Shoals Lake. Because we will be crossing a ferry we must divide into two groups. The "Blue" group will take the West Route and the "Green" group will take the East route. You can trade groups, but please don't unbalance the groups. Also, it would be a good idea to divide into smaller groups to allow the "modern" cars the ability pass. Pick up your box lunch before leaving the hotel.

Just a word about the ferry, GET IN LINE! The ferry will hold six (6) cars, and it takes 40 minutes for a round trip. This is a high traffic weekend; so don't wait to get in line!
