One day driving tour to southern Kansas taking in the sites that rural country life has to offer.

We are planning to stay at the Hampton Inn and will have more details in a couple of days.

Plans are to spend the day in each Bartlesville, Dewey and Pawhuska. There is a lot to do and see in these towns. One day will be a driving tour into Kansas on some scenic roads with a few stops of interest.

Still planning but should be next week and we will have it finalized. Just FYI for now.

If you have any questions or concerns let me know.
